Terms and Conditions

Delivery and Returns

We will always do everything we can to get your order to you on your preferred date, however, due to the festive season being such a busy time, we advise that you choose a delivery date for at least two days before your sales begin. You will be contacted if there is an issue with your delivery, but we do ask for your understanding at this busy time.

Monday to Friday deliveries are made between 8am–6pm. Saturday deliveries are available to Mainland UK only, between the hours of 8am–2pm, but will be at extra cost. We will always inform you if we know of any expected delays.

All deliveries must be signed for. If you would like our haulier service to leave your order in a 'safe place,' please state this in the notes when placing your order. We cannot be held responsible for any damage to or theft of your order if you give permission to leave it unattended.

If you are not available to sign for your parcel at the point of delivery, the order will be returned to the haulier's depot and a redelivery charge will occur, see delivery charges. Our haulier will then attempt delivery again on the next available slot. No refunds will be given for any orders that are left uncollected at the depot.

Cancellations

Once your order has been dispatched, we cannot cancel your order. We cannot accept responsibility for items that do not arrive on your chosen delivery date. If you wish to cancel an order once you have placed it, please contact us on 01885 400746 to speak to a member of our Customer Service team. Alternatively, you can email us.

Due to the unique nature of our products (deemed perishable) and the sensitive timescale in the festive season, we would ask for your understanding regarding cancellations. Therefore, if you do wish to cancel an order, we ask you to do so at least 48 hours before your dispatch date, otherwise it may not be possible to stop shipment.

Returns and Refunds

For returns, you must ensure the goods are packed adequately to protect against damage and are returned in a condition for re-sale. A refund for the goods will be made upon the items being returned to us in a condition for re-sale. Refunds will be made within 14 working days. Please note: no bespoke orders can be returned, unless there is a damage issue, see below.

We make every effort to fulfil aesthetic requests for products, however, as they are a natural product, we cannot be held responsible for slight colour and shape irregularities. Refunds for orders are only given if the products are damaged of which evidence is required. Damaged products must be reported to us within 48 hours of delivery.

Issues with Your Order

Any breakages, shortages and discrepancies with your order must be reported to us within 48 hours from date of delivery. Please email us or phone 01885 400746 to speak with our Customer Service team.

Breakages — If your order arrives and there are damages, in the first instance we will aim to replace the goods as quickly as possible. We ask that images are sent to us to show the damages in order to speed up the process of replacing your goods quickly. If we are unable to replace your order, a full refund will be made for the damaged items.

Shortages — If your order arrives and there are missing items, we aim to send them on a next day service for you. Please allow time for our systems to be checked before dispatching goods.

Discrepancies — If the items are not as described on our website, a refund for the goods will be made upon the items being returned to us. Refunds will be made within 14 working days. Goods must be returned in a condition for re-sale.
